ABOUT THE GRANGE ACADEMY

Wade Deacon Trust

Wade Deacon Trust is a Multi-Academy Trust and an approved DfE Academy sponsor. The Trust is focused upon improving life chances for students and communities providing sustainable school improvement; and schools joining the Trust do so with the prime aim of improving each other so that they can all become outstanding schools.

The Grange Academy

The school is unique as it is an all through school and has 1085 students. Our children range from 3 to 16 years and share a wonderful state-of-the-art learning environment where they are all provided with up to date learning experiences of the highest quality.

Relationships at The Grange Academy are strong. All students are offered the best support to ensure success in everything they do and staff and students alike fulfil our motto of 'Aspire for Excellence.' Our Vision is really simple; we want 'a community that works together to create an exceptional learning journey for all.' Our mission statement is; 'we aspire for excellence through instilling our core values and providing a range of opportunities to create well-rounded students that are fully prepared for their life beyond The Grange Academy.'

We believe that working within the trust offers us an exciting opportunity to work with other schools to fulfil our vision and mission. The learning culture we have created at The Grange Academy ensures that all within our community are continuing to develop skills, knowledge and understanding daily.

We strive for excellence by ensuring high standards and expectations are evident in all that we do. All staff make every effort to ensure that our students are happy and safe at school.

Attainment and achievement at The Grange School continue to improve across all phases of learning. The levels of progress made by many hard-working individual students are exceptional. Overall, we aim to offer life enhancing experiences that will ignite curiosity, build character and provide a platform for all our students to pursue their aspirations.

The Grange Academy is an all through school and increasingly secondary phase teachers have opportunities to teach their specialist subject in the primary phase. There is a strong culture of CPD within the school and we make the most of internal CPD but also a wide range of external CPD through the trust and nationally recognised programmes.

School Site

In April 2013 following an extensive £38 million BSF building programme, the school moved into its brand-new state of the art facilities. The school was heavily involved in both the internal design and provision of high-quality external facilities. The school provides a 21st century and exceptionally high-quality learning environment which enhances the teaching and learning of our students.

Community

The majority of the school intake is from Runcorn and is across the full range of abilities and socio-economic backgrounds. There is a strong community spirit linked to the school and we work with a number of community partners to strengthen the school's commitment in this area

Runcorn

Runcorn forms one of the two main towns making up the unitary authority of Halton.

The town of Runcorn, with its excellent transport links, makes the major cities of Liverpool, Chester and Manchester easily accessible. The Wirral and North Wales are also within a reasonable travelling distance.

The population of Runcorn is approximately 69,000. Its heritage is in heavy industrial and chemical manufacture while, in recent years, the development of hi-tech, service and logistical enterprises has taken a lead. The Grange Academy is the only All through School in the borough.
