WADE DEACON TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2017

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period 1 September 2016 to 31 August 2017. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

For the period 1st September 2016 to 31st August 2017 the trust operated as a Multi Academy Trust. The Trust currently serves the town of Widnes in the borough of Halton, Bootle in the Borough of Sefton and Huyton & Halewood in the Borough of Knowsley. The Trust as of September 2017 has a pupil capacity of 4,090, and a total school roll of 3608 pupils across all phases 3-16.

The membership of Wade Deacon Trust is currently:

- Wade Deacon High School 11-16 (converted 1st March 2013) Lead School. The site is located in Widnes on a large new build and refurbished site. Capacity 1,500 (Number on roll September 17 - 1,587).
- Widnes Academy 3-11 (converted 1st February 2015) Sponsored Academy. The site is located in Widnes in a 3 storey Victorian style building. Capacity 210 (Number on roll September 17 - 143 + 26 p/t Nursery).
- Hillside High School 11-16 (converted 1st March 2015) Sponsored Academy. The site is located in Bootle and combines mixture of 1930s and 1980s build on one campus. Capacity 970 (Number on roll September 17 - 693).
- Sylvester Primary Academy 3-11 (converted 1st January 2017) Converter Academy. The site is located in the Huyton area of Knowsley made up of series for 1930s to 1960s buildings. Capacity is 210 (Number on roll September 17 - 203 + 23 p/t Nursery).
- Halewood Academy – 11-18 (to 31st August 17 (from September 17 11-16) Sponsored Academy. The site is a PFI (2009) located in the Halewood area of Knowsley. Capacity is 1200 (Number on roll September 17 - 932)

The Academy holds Teaching School status and engages with a wider strategic alliance with partner schools to further the development of the Teaching School and school-to-school support.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The Charitable Company's memorandum and Articles of Association are the primary governing documents of the Academy Trust. The trustees of Wade Deacon Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as Wade Deacon Trust.

Details of the trustees who served during the year are included in the Reference and Administrative Details on page 1.

The Trustees undertake the strategic review of the Academy Trust and powers are delegated to local Governing Bodies; the levels of which are subject to the needs of each individual school.

Members' liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they ceased to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

Subject to the provisions of the Companies Act 2006 every Governor or other officer or Auditor of the Academy Trust shall be indemnified out of the assets of the Academy Trust against any liability incurred by them in that capacity in defending any proceedings, whether civil or criminal, in which judgement is given in favour or in which they are acquitted or in connection with any application in which relief is granted to them by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Academy Trust.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2017

Trustees' Indemnities (Cont)

Professional Indemnity Insurance is in place to protect Trustees, Governors, and officers from claims arising from negligent acts, errors or omissions occurring on Trust business.

Principal activities

The principal objective of the Trust is to advance, for the public benefit, education in the United Kingdom, in particular but without prejudice to, the generality of the foregoing by establishing, maintaining, carrying on, managing and developing the Academies, offering a broad and balanced curriculum. In setting the Trusts objectives and planning its activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Method of Recruitment and Appointment or Election of Trustees

Consideration is given to the skills of Trustees and Governors which would enhance the effectiveness of the Trust in line with the Articles of Association.

The appointment of Trustees may be made by the Members passing a resolution as contained within the Articles of Association

With regards to the appointment of parent and staff Governors, procedures are in place for their nomination, election and appointment.

Policies and Procedures Adopted for the Induction and Training of Trustees

New Trustees are inducted into the workings of the Academy, including details of policies and procedures, together with an appropriate training schedule depending upon their existing area of expertise.

Organisational structure

The Trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the Trust and Academies by the use of financial management information, making strategic decisions about the direction of the Trust and capital expenditure, making senior appointments and approving the Annual Report and Financial Statements.

As at 31st August 2017 the MAT consists of five Academies and a teaching school.

The Trustees and Chief Executive Officer delegate the leadership and management of the Trust to the Chief Operations Officer, Lead Principals and Principals. Each Academy has a Senior Leadership Team (SLT) structure in place to support the delegation of responsibilities.

The level of delegation will be subject to assessment and review of performance and also the capacity of each Academy. The SLT, as appropriate to each Academy, would normally consist of Principal, Vice Principals, Assistant Principals and potentially a Business Manager (or equivalent postholder). These leaders control the Trust and Academies at a senior level, implementing the policies laid down by the Trustees & Local Governing Bodies and reporting back to them. As a group the SLT is subject to relevant delegation being granted and responsibility for the authorisation of spending within agreed budgets and the appointment of staff (excluding the appointment of a Principal).

Management teams will operate at each Academy and are responsible for the day to day operation of the Trust and the Academies. In particular they are responsible for organising the staff (teaching and non-teaching), facilities and students.

The Academy Board will meet at least once each term, with an appropriate meeting in each academic year being used to hold the Annual General Meeting following the submission of accounts.

Local Governing bodies and committees meet on at least a termly basis and report relevant decisions to the Academy Board. The Board will ratify appropriate decisions.

Roles and responsibilities of Trustees, Governors, and Senior Managers are defined in the relevant Terms of Reference and Academy Scheme of Delegation.

Arrangements for setting pay and remuneration of key management personnel

Academy Trustees (excluding the Chief Executive Officer) are non-salaried and therefore no pay and remuneration scales are applicable.

The Academy Trust continues to refer to School Teachers' Pay & Conditions Document (STPCD) and National Joint Conditions (NJC) to support staff relevant grade and pay range allocations.

The setting of salaries (and pay range) for Principals, Vice Principals and Assistant Vice Principals is undertaken using the STPCD Leadership Pay Group section Guidance.

For those staff employed across the Trust, the principles and grading at both STPCD and NJC are used to establish an appropriate salary range.

Related Parties and other Connected Charities and Organisations

The Trust has reviewed its actions and has no Related Parties and other Connected Charities and Organisations transactions to report.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The main objectives of the Trust summarised below:

- To facilitate a smooth transition to Academy status
- To raise the standard of educational achievements of all pupils in the Trust's academies
- To ensure that every child enjoys the same high quality education in terms of resourcing, teaching and learning
- To improve the effectiveness of the Academies by keeping the curriculum and organisational structures under continual review
- To comply with all appropriate statutory and curriculum requirements
- To provide value for money for the funds expended
- To conduct the Trust and Academy business in accordance with the highest standards of integrity, probity and openness.

Objectives, Strategies and Activities

The Trusts' main strategy is to develop and maintain a culture of excellence across our organisation that continues to provide opportunities for our students.

Wade Deacon High School converted to 'Academy' status in March 2013 and founded the Wade Deacon Trust. This status was adopted because of our quest to continually improve the quality of learning and teaching for the benefit of all students. In addition, all the Trustees of the Trust are committed to training and the life-long learning of all our members of staff and the community. The Trust has now expanded to five Academies and retains its Teaching School Status.

Students and staff work side-by-side with the latest technological developments to enhance further the quality of our teaching and learning. We help students to develop real life solutions to real life problems, using industry standard equipment to achieve their goals.

As a major contributor to the concept of lifelong learning, we are a Trust that makes a difference within our school Academy communities. We achieve this by engaging in collaborative projects with our community partners and sharing our resources with them.

Objectives, Strategies and Activities (cont)

Throughout all the Trust's Academies, students are encouraged to take pride in themselves, their actions and their achievements. We have high expectations of students' academic work, the manner in which they conduct themselves around their Academy campus and their presence in the local community beyond. An orderly and disciplined environment is a key feature of our work in the Trust. The success of this is based on enhancing and maintaining excellent standards of self-discipline, school uniform and the promotion of a sense of pride and belonging to the Trust and its Academies.

High levels of attendance are expected throughout each year group so that everyone can take full advantage of the range of curricular and extra-curricular opportunities available. Levels of attainment are most easily raised when students attend all lessons, allowing continuity of the teaching and learning environment.

Regular extended learning is an integral part of the learning culture of the school. Tasks set are intended to broaden and develop an individual's scope for independent learning as well as reinforcing work completed during the school day.

Public benefit

The Trust's purpose is to advance, for public benefit, education as described in principal activities above. The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their duties.

REVIEW OF BUSINESS

The principal objective of the Trust is to advance, for the public benefit, education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing the Academies, offering a broad and balanced curriculum. In setting the Trust's objectives and planning its activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

The current Trust Board of Trustees are from a diverse range of backgrounds and each one has a different type of expertise to offer; however they all have one thing in common and that is a commitment to an exceptional education, where tradition is respected and innovation is encouraged. The vision is for every school in the Trust to be an outstanding school where every child receives an exceptional education.

As the Trust develops and grows, the Trustees will have regard for the operational processes of the schools within the Trust, and will make adjustments to both the structure and membership of the relevant bodies in order to ensure that the Trust can manage the schools in accordance within the required Ofsted framework and ensure that the core principles are sustained.

Through its Lead School (Wade Deacon), the Trust holds Teaching School status. Teaching schools are outstanding schools that work with others to provide high-quality training and development to new and experienced school staff. They form a central role in raising standards by developing a self-improving and sustainable school-led system.

The Trust through its Innovation Enterprise Alliance undertakes a cross-phase and cross-regional alliance, supported by a number of strategic partners, who lead on, or contribute to, aspects of the provision.

The Trust believes in giving every student the opportunity to develop his or her talents to the full and expects every student to work very hard in order to achieve this. The Trust is committed to an exceptional education where tradition is respected and innovation is encouraged. The Academy is committed to training and the life-long learning of all our members of staff and the community. Students and staff work side-by-side with the latest technological developments to further enhance the quality of our teaching and learning.

REVIEW OF BUSINESS (cont)

Students are helped to develop real life solutions to real life problems, using industry standard equipment to achieve their goals. As a major contributor to the concept of lifelong learning, all Trust schools make a difference within their communities. We achieve this by engaging in collaborative projects with our community partners and sharing our resources with them.

Throughout school, students are encouraged to take pride in themselves, their actions and their achievements. We have high expectations of students' academic work and the manner in which they conduct themselves around the school campus and in the community beyond. An orderly and disciplined environment is a key feature of our work in school.

The success of the school is based on promoting and maintaining excellent standards of self-discipline and school uniform, along with the promotion of a sense of pride and belonging to the school.

High levels of attendance are expected throughout each year in school, so that everyone can take full advantage of the range of curricular and extracurricular opportunities available.

The success we achieve in the classroom is enhanced by a wide range of enrichment courses which are made available to all students. Everyone is encouraged to use part of their recreation time for participation in one or more of these opportunities. Clubs and societies, clinics and extra classes are all designed to broaden the experiences of the school's young people outside of their compulsory curriculum diet.

A full range of individual and team games is offered to all age groups and abilities, with team games represented in numerous local, regional and national competitions. Our schools provide a range of Outdoor Education activities wherever possible, including the opportunity to participate in the Duke of Edinburgh Award Scheme for our students.

Achievements and Performance

The Chief Executive Officer and a Lead Principal hold National Leader of Education status and this has enabled the Academy to influence the forming of curriculum policy through national engagement at a senior level.

The Chairman of Trustees holds National Leader of Governance status and uses his extensive Business and Governance experience to make a positive contribution through supporting, challenging and coaching governing bodies so that they are able to confidently and proactively take control of their own destiny.

There is a clear separation and accountability between the role of Trustees and Local Governing Bodies. Trustees continue to provide support to those schools and Local Governing Bodies who require support and guidance.

The Accounting Officer and Chief Operations Officer is accredited through the Institute of School Business Leadership and holds Fellowship status with this organisation. This provides for high levels of accountability for strategic leadership and specialist knowledge across defined areas of the Trust and a commitment to a self-improving Trust through system leadership. The Central operations team is supported by both qualified accountants and CIPD professionals.

The Academy Improvement Strategy is rooted in an ethos that creates the culture, attitude and aspiration necessary to secure successful outcomes for young people and prepare them effectively for life in modern Britain. Support is provided in proportion to the level of need within each Academy as determined through the school's own self-evaluation judgements and the Trust's monitoring.

Reviewing the Academy Trusts priorities for the 12 month period, there were areas of great success and outstanding achievements for our staff and students. These include:

Achievements and Performance (cont)

Wade Deacon

Wade Deacon High School's Progress 8 score has increased from 0.00 in 2016 to +0.23 in 2017, placing the school in the top 18% of schools nationally. Although the progress of disadvantaged students remains a priority, there is strong evidence to show that leadership actions are having an impact with the P8 score increasing from -0.35 to -0.3. The percentage of students achieving a grade 9 – 4 (Equivalent to a A* - C) including English and Maths was 73% in 2017, 18% above the national average of 55%. Wade Deacon continues to provide a broad, balanced and rigorous curriculum with the vast majority of students (78%) being entered for the EBACC qualification. Of the 236 Students entered for EBACC, 157 (52%) achieved a grade 9 – 4 in the EBACC suite of subjects. Student attendance remains a key area of success, with the attendance figure in 2017 at 96% compared to 95.9% in 2016. A particular highlight more recently is our school being awarded 'World Class School Status'. This is a real accolade and a true reflection of the quality of education that students enjoy at our school.

Halewood

The Academy's Progress 8 score improved to go above floor at -0.43 (2016 -0.76). The Progress 8 scores for Low and Middle attainers improved significantly (LA from -0.77 to +0.07 & MA from -0.77 to -0.16). The % of students achieving 5+ A*-C, including English and Maths, is 52% (2016 44%). Students achieved above the National Average % A*-C in English Language, English Literature, Business Studies, Computer Science, Dance, Drama, Food Technology, Music, PE, RE, Science and Spanish. Whole School Attendance improved from 93.5% in 2016 to 95% in 2017. Whole School Persistent Absenteeism reduced from 18.2% in 2016 to 10.9% in 2017. The Academy moved from Special Measures to Good in April 2017.

Hillside High School

The percentage of pupils achieving grade 4+ in English and Maths combined was 42% and at 5+ this was 28%. Strong performance continued in the English Baccalaureate, with 30% of all pupils achieving this at a standard pass and 23% at a strong pass. 79% of all pupils were entered for this, demonstrating Hillside's continued commitment to an academically rigorous curriculum. Overall progress made by this cohort was lower than last year, being -0.66, however this year group made rapid and sustained progress during the academic year from very low starting points. In the new English and Maths GCSE 9-1 qualifications more than 12% of pupils achieved the top 9 – 7 grades. It has been another strong year for Modern Foreign Languages, with over 100 pupils achieving A*-C grades. In separate science, 44% of pupils achieved A*/A grades in Biology, 41% in Chemistry and 35% in Physics – outstanding achievement in these academically challenging subjects. Throughout 2016 – 2017 attendance has increased, demonstrating rapid improvement from starting point.

Sylvester

Sylvester Primary Academy continues to go from strength to strength as an oversubscribed primary school in Huyton. Pupil numbers are buoyant, with many year groups at full capacity. The 2016/17 outcomes were again positive for Sylvester, in particular at the end of Early Years Foundation Stage and Key Stage 1 which saw the school sitting above the national standard for both these Key Stages. Progress at the end of Key Stage 2 was also broadly in line with national, with some prior attainment groups making better than expected progress. Pastorally, the school has continued to be successful. In July 2017, the school was awarded the School Games GOLD accreditation for its commitment to school sport; this complements the Knowsley Schools 4 Health GOLD accreditation that we received earlier in the year.

Widnes Academy

Widnes Academy continues to maintain its excellent Early Years provision by once again performing above the national average at GLD – 80%. We are proud of the impact our Nursery has on ensuring that our children are ready for school and the strong links with parents we are developing. As a small school, we are extremely excited to have achieved the Sainsbury's School Games Award at Silver Level this year – testament to the hard work of staff to provide many opportunities for our children to take part in a range of competitions and sporting activities. We are hoping to continue to develop this further this year.

Teaching School

The Teaching School is a major player and is highly visible in the Learn and Lead and Teaching School community. School Direct recruitment continues to increase – generating £80K+ income in 2016-17. There has been a huge increase in engagement with the St Helens Maths Hub and this partnership continues to develop. We supply and host training to other TSAs as well as hosting Chester University Academic Learning days at the conference centre. We continue to develop a strong partnership with Chester University, resulting in influencing university direction for School Direct for our Alliance. The Teaching School has embarked on a new project with the Football Association looking to use ITT students to lead education sessions for young England players whilst at football training and tournaments, both at St George's Park and abroad. The conference continues to be used more fully for a wide range of conferences, training courses and information events. There is a further drive to provide high quality CPD for the MAT, with a specific focus on primary CPD, leadership development and governor training. There has been an increase in School Direct partners and requests for collaboration due to strong TSA brand in North West and Learn and Lead community. The TSA has received over £170K in NCTL funding to fund StSS and ITT recruitment initiatives and is now a key player in the following initiatives:

- Maths and Physics Internships
- Learn and Lead ITT Strategic Board Chair
- Strategic School Improvement Funding bids
- NPQML/SL courses hosting and delivery

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

FINANCIAL REVIEW

Financial position

The majority of the Trust and Academy income is obtained from the Education and Skill Funding Agency (ESFA) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA in the period ended 31st August 2017 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

The Trust also received grants from the ESFA and other organisations. In accordance with the Charities Statement of Recommended Practice, "Accounting and Reporting by Charities" (SORP 2015), such grants are shown in the Statement of Financial Activities as restricted income in the restricted general fund and fixed asset fund. The restricted fixed asset fund balance is reduced by depreciation charges over the expected useful life of the assets concerned.

During the period ended 31 August 2017, total expenditure (excluding depreciation and actuarial pension adjustments) of £20,231,962 was covered by recurrent grant income from the ESFA together with other incoming resources which totalled £20,485,960. After transfers to capital funds of £556,717, there is a net revenue deficit for the year of £200,046. Total funds carried forward amount to £36,151,638 which include revenue funds of £761,500. This is in line with the Trust's strategy to build and maintain adequate reserves to fund an ambitious plan of future improvements and development of the organisation and its infrastructure as detailed below.

Reserves Policy

The Trustees and Governors review the level of reserves on an annual basis. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of the reserves. The Trusts current level of revenue reserves (total reserves less the amounts held in fixed asset reserve and the pension fund reserve) is £761,900.

The Trustees have decided wherever possible to adopt a prudent approach to reserves and aim to build a group reserve of designated funds to safeguard against unforeseen circumstances, capital improvements or developments and other emergencies. This is sound commercial practice designed to safeguard the quality of education received at the academies within the Trust. It must be noted that the school funding system is undergoing a period of austerity and a significant national funding formula change process and a number of large capital schemes have been undertaken.

Utilisation of the surplus funds

The Trust has identified accrued surplus for allocation to capital projects which have or are in the process of taking place across the relevant schools. Across nominated schools ICT infrastructure has been upgraded and the following specific projects have been completed/commenced:

- Widnes Academy internal refurbishment programme has been completed.
- Wade Deacon High School - a capital project to construct a purpose built 4 room art building and gallery area.
- Hillside High School internal refurbishment programme continues to take place and plans for a toilet block scheme are in the review stage.
- Halewood Academy - A capital project to convert an open plan "warehouse area" into suitable science laboratories, classroom and technology rooms has been undertaken during the year, to create 5 fit for purpose teaching spaces and associated prep area etc.

In addition, the net liability due to the Trusts participation in the Local Government Pension Scheme (LGPS) amounts to £10,277,000. Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of Academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013. This guarantee provides comfort to the Trustees in the unlikely event of an Academy closure.

WADE DEACON TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2017

Investment Policy

In accordance with the Articles of Association, the Trustees can deposit or invest funds not immediately required. It has been decided that cash balances are to be safeguarded by investing them in interest bearing current and deposit accounts with HSBC, a recognised sound commercial bank.

PRINCIPAL RISKS AND UNCERTAINTIES

The principal risks to the Trust are documented and managed using a risk management policy and a risk register which is regularly reviewed. The main risks are seen as the loss of reputation through failing standards at the Academies, falling student numbers, failure to safeguard our students, national budget constraints to all schools and failure on high profile school-to-school support commissions. Key controls in place to mitigate these risks are:

- An organisational structure with clearly defined roles, responsibilities and authorisation levels,
- Documented terms of reference for the committees and sub-committees of the Trust,
- Financial planning, budgeting and regular management reporting highlighting key areas of financial risk,
- Formal written and published policies for employees,
- Vetting procedures as required by legislation for the protection of the vulnerable, and
- Robust due diligence procedures in place for new contracts and commissions.

FINANCIAL AND RISK MANAGEMENT OBJECTIVES AND POLICIES

The main financial risks are mitigated through the employment of sound financial management and internal control processes. Balanced budgets are set for each of the Academies within the Trust and limited budgets are further delegated to departments and faculties. Actual performance against agreed budgets is closely monitored by the Trust's central finance team and via regular (termly) meetings of the finance committee of each LGB. Bank and cash reconciliations are carried out routinely and signed by the authorised officers of the Trust's central finance team. All orders and payments are signed off by the finance team with appropriate segregation of duties in place. Fixed asset registers are in place and there are processes in place for the acquisition, adaptation and disposal of assets. Payroll is outsourced and checked by more than one individual each month. The appropriateness and integrity of internal controls is assessed and reported to the Trustees by the responsible officer and external auditors.

The security of data is administered by an in house team of IT professionals. Remaining risks are mitigated to a large extent via comprehensive insurance policies.

PLANS FOR FUTURE PERIODS

The overall performance in this reporting period was extremely robust and as a consequence will directly reinforce the Trust's medium to long-term strategy. The Trust's main annual objectives for the next year are:

- To facilitate a smooth and effective transition of at least a further 2 schools into the Trust.
- To ensure the Academy Improvement Strategy that creates the culture, attitude and aspiration necessary to secure successful outcomes for young people is embedded into all Trust Schools.
- To build on the excellent reputation of our Academy.
- To grow the Teaching School and the strategic alliances in order to raise standards within the Trust and schools requiring support.
- To seek options for growth of the Trust in line with its strategic development plan.
- To strive for continuous improvement in examinations results and all indicators of performance in all of the Trust's Academies.
- To seek to increase numbers on roll at undersubscribed schools.
- To build adequate financial reserves to fund building and other investment needs.
- Development of the roles and separation of duties at each layer of Governance.

WADE DEACON TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2017

Key to success is the leadership and management of the Trust, ensuring that high quality leaders are in place through a rigorous recruitment system. The Trust will also take steps to identify future leaders within the Academy members and support them to gain middle and senior leadership opportunities, thus adding to the strengths of the Trust and all its academies.

Excellent standards of behaviour will be maintained to create a well ordered community with the learning and the support of students at the heart.

Teaching and learning will continue to have pace, purpose, variety and rigour. Students will be able to progress as a result of a suitable curriculum and relevant personalised programmes of study.

Staff will be confident practitioners with appropriate professional development opportunities. Educational outcomes in all performance indicators will be well above national averages and the Academies will be in the "high performing" category. The strategic development of the Academies will be effectively planned, monitored and supported by well-equipped and committed local governing bodies and the main Board of Trustees.

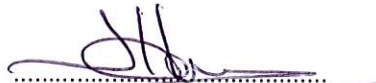

AUDITORS

Insofar as the Trustees are aware:

- There is no relevant audit information of which the charitable company's auditor is unaware
- The Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditors, Howard Worth, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on 14 December 2017 and signed on its behalf by:

WADE DEACON TRUST
GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2017

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Wade Deacon Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can only provide reasonable, and not absolute, assurance against material misstatement of loss.

The Board of the Trustees has delegated the day-to-day responsibility to the Company Secretary, as Accounting Officer, is responsible for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Wade Deacon Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Report of the Trustees and in the Statement of Trustees Responsibilities. The Board of Trustees has formally met 8 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

WADE DEACON TRUST
GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2017

Governance (cont)

The Finance Committee, which is a committee of the Governing Body, is responsible for overseeing the financial affairs of the Academy and reporting to the Governing Body. The Finance Committee meets at least once a term or more frequently should the need arise.

The main responsibilities and issues dealt with during the period were as follows:

- The initial review and authorisation of the annual budget;
- The regular monitoring of actual expenditure and income against budget;
- Ensuring the annual financial statements are produced in accordance with the requirements of the Companies Act 2006, the Charities SORP, the Academies Accounts Direction and other guidance issued by the ESFA;
- Ensuring that all of the financial returns required by the ESFA are correctly prepared and submitted on time;
- Capital project monitoring, procurement and reporting;
- Authorising changes to the Academy's personnel establishment;
- Reviewing the reports of the Responsible Officer on the effectiveness of the financial procedures and internal controls, which are also reported to the full Governing Body.

Review of Value for Money

As accounting officer the Trust operations officer has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the Academy Trust has delivered improved value for money during the year by:

- The economic, efficient and effective use of all resources to produce better educational results.
- The avoidance of waste and extravagance.
- The prudent and economical administration of the organisation.
- The establishment and maintenance of a system of financial governance, including sound internal spending controls, keeping up to date financial records, continuous financial monitoring and timely reporting.
- Ensuring all financial transactions represent value for money.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level, rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable, and not absolute assurance, of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of charitable company policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Wade Deacon Trust for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the charitable company is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the charitable company's significant risks that has been in place for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

WADE DEACON TRUST
GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2017

The Risk and Control Framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures, including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- Comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the governing body;
- Regular reviews by the Finance Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- Setting targets to measure financial and other performance;
- Clearly defined purchasing (asset purchase or capital investment) guidelines;
- Delegation of authority and segregation of duties;
- Identification and management of risks.

The Trust has appointed a separate division of Howard Worth Chartered Accountants as Responsible Officer (RO) to undertake the role of an internal audit function. This function is carried out across all Trust schools and reports provided are shared with the Trust and relevant LGB members. Any actions required are agreed through this process. The RO's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems.

Review of Effectiveness

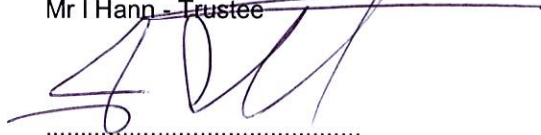

As accounting officer, Mr I Kirkham has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:-

- The work of the Responsible Officer;
- The work of the external auditor;
- The financial management and governance self assessment process;
- The work of the senior leaders and managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control and a plan to address areas for improvement and ensure continuous improvement of the system is in place.

WADE DEACON TRUST

**STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE
FOR THE YEAR ENDED 31 AUGUST 2017**

As accounting officer of Wade Deacon Trust I have considered my responsibility to notify the charitable company board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the charitable company and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the charitable company board of trustees are able to identify any material irregular or improper use of all funds by the charitable company, or material non-compliance with the terms and conditions of funding under the charitable company's funding agreement and the Academies Financial Handbook 2016.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

WADE DEACON TRUST

STATEMENT OF TRUSTEES RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2017

The trustees (who act as governors of Wade Deacon Trust and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

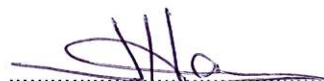

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF WADE DEACON TRUST

Opinion

We have audited the financial statements of Wade Deacon Trust (the 'charitable company') for the year ended 31 August 2017 on pages twenty two to forty eight. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Accounts Direction 2015 to 2016 issued by the Education Funding Agency (EFA).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and Academies Accounts Direction 2016 to 2017.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF WADE DEACON TRUST

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities set out on page eighteen, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO
WADE DEACON TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Wade Deacon Trust during the period 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Wade Deacon Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Wade Deacon Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Wade Deacon Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Wade Deacon Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Wade Deacon Trust's funding agreement with the Secretary of State for Education and the Academies Financial Handbook, extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

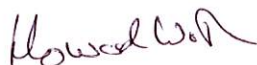

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the charitable company's income and expenditure.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

WADE DEACON TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Academies Accounts Direction 2016 to 2017 issued by the ESFA, the Charities Act 2011 and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Wade Deacon Trust meets the definition of a public benefit entity under FRS 102.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance related conditions), where it is probable that the income will be received and the amount can be measured reliably.

Other income

Other income including the hire of facilities, is recognised in the period it is receivable and to the extent the charity has provided the goods or services.

WADE DEACON TRUST

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31 AUGUST 2017

1. ACCOUNTING POLICIES - continued

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable activities

Costs of charitable activities are incurred on the charity's educational operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Long leasehold	- 2% on cost
Assets under construction	- not provided
Plant and machinery	- 20% on cost and 10% on cost
Computer equipment	- 20% on cost and 10% on cost

Assets costing £500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy trust's depreciation policy. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1. ACCOUNTING POLICIES - continued

Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 16 and 17. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

1. ACCOUNTING POLICIES - continued

Pension costs and other post-retirement benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 29, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Academy transfers

Transfer on Conversion

Where assets are received by the trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the trust. An equal amount of income is recognised as Transfer on conversion within Donations and capital grant income.

Transfer of Existing Academies into the Trust

Where assets are received on the transfer of an existing academy into the trust, the transferred assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the trust, which is on signing of the transfer agreement with the transferring trust. An equal amount of income is recognised for the Transfer of an existing academy into the trust within Donations and capital grant income.

1. ACCOUNTING POLICIES - continued

Critical accounting estimates and areas of judgement

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 17, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

22. PENSION COMMITMENTS

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by [name]. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' pension scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (currently 14.1%))
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £1,645,000 (2016: £1,629,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Valuation of the Teachers' Pension Scheme (cont)

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local government pension scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2017 was £519,000 (2016: £233,000), of which employer's contributions totalled £383,000 (2016: £170,000) and employees' contributions totalled £136,000 (2016: £63,000). The agreed contribution rates for future years are 21.2% per cent for employers and 6.5% per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

24. RELATED PARTY DISCLOSURES

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the trust's financial regulations and normal procurement procedures. The following related party transaction took place in the period of account.

Freedom and Autonomy for Schools - National Association - a charity for which Mrs P A Wright (a trustee of the trust) is a trustee:

- The trust purchased tickets for conferences and paid subscriptions to the value of £1,875 (2016: £155) during the period. There were no amounts outstanding at 31 August 2017.

Mrs P A Wright is a trustee of the trust and a close family member was employed during the year as a finance supervisor. In the year to 31 August 2017 they received remuneration of £10,029 and employer's pension contributions totalling £2,097.

25. CONVERSION TO AN ACADEMY TRUST

Halewood Academy

On 1 February 2017 Halewood Academy transferred into the academy trust and all the operations and assets and liabilities were transferred to Wade Deacon Trust from the single academy trust Halewood Academy for £nil consideration.

The transfer has been accounted for using the acquisition method. The assets and liabilities transferred were valued at their fair value and recognised in the balance sheet under the appropriate headings with a corresponding net amount recognised as net incoming resources in the Statement of Financial Activities as voluntary income.

The following table sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the SOFA.
